

Acids and Bases - Naming Worksheet

Name the following:

Give the formula for:

21. carbonous acid

22. sulphuric acid

23. pernitric acid

24. hydrochloric acid

25. chloric acid

26. hydrofluoric acid

27. sulphurous acid

28. nitric acid

29. perchloric acid

30. persulphuric acid

31. hypochlorous acid

32. hydrobromic acid

33. nitrous acid

34. perchloric acid

35. hyponitrous acid

36. hyposulphurous acid

37. hyposulphurous acid

38. hydroiodic acid

39. hypocarbonous acid

40. percarbonic acid
